

SHEHU MUSA YAR'ADUA
CLOSING MESSAGE
ISLAM IN AFRICA ORGANIZATION
KHARTOUM
MAY 1993

The Prophet Mohammed (S.A.W.) was sent with the Qur'an. Not with money. And he didn't have it at the end of his message. When he said he has perfected his message to us, he didn't have money. He came with the Qur'an, he left us with the Qur'an. That is our heritage.

And ladies and gentlemen, I submit to you that if we keep this heritage, there is nothing that is beyond us. Nothing that we cannot surmount. Nothing that we cannot overcome. And I think we should hold this and keep this in our mind.

Forget about being materially poor and think of our spiritual strength. If we do, I think we are about to start our march in changing this corrupt world. And in giving strength. Because the world today is looking for an alternative. The alternative is the truth...
